POLICY DETAILING GUIDELINES ON PROVIDING RELIEF TO BUSINESSES DISRUPTED ON ACCOUNT OF COVID – 19 PANDEMIC

SECTION A:

RBI vide circular No. DOR.No.BP.BC.47/21.04.048/2019-20 dated March 27, 2020 had permitted all commercial banks (including regional rural banks, small finance banks and local area banks), co-operative banks, all-India Financial Institutions, and NBFCs (including housing finance companies and microfinance institutions) (referred to hereafter as “lending institutions”) to allow a moratorium of three months (From Mar 1, 2020 to May 31, 2020) on payment of instalments in respect of all term loans outstanding as on March 1, 2020.

RBI vide circular No. DOR.No.BP.BC.71/21.04.048/2019-20 dated May 23, 2020 permitted lending institutions to extend the moratorium on term loan instalments by another three months, i.e., from June 1, 2020 to August 31, 2020.

Rescheduling of Payments

In view of the extension of lockdown and continuing disruption on account of COVID-19, all commercial banks (including regional rural banks, small finance banks and local area banks), cooperative banks, All-India Financial Institutions, and Non-banking Financial Companies (including housing finance companies) (“lending institutions”) are permitted to extend the moratorium by another three months i.e. from June 1, 2020 to August 31, 2020 on payment of all instalments in respect of term loans (including agricultural term loans, retail and crop loans). Accordingly, the repayment schedule for such loans as also the residual tenor, will be shifted across the board. Interest shall continue to accrue on the outstanding portion of the term loans during the moratorium period.

Asset Classification

- (i) As the moratorium/deferment is being provided specifically to enable borrowers to tide over COVID-19 disruptions, the same will not be treated as changes in terms and conditions of loan agreements due to financial difficulty of the borrowers and, consequently, will not result in asset classification downgrade.
- (ii) As earlier, the rescheduling of payments on account of the moratorium/deferment will not qualify as a default for the purposes of supervisory reporting and reporting to credit information companies (CICs) by the lending institutions. CICs shall ensure that the actions taken by lending institutions in pursuance of the announcements made today do not adversely impact the credit history of the borrowers.
- (iii) In respect of accounts classified as standard as on February 29, 2020, even if overdue, the moratorium period, wherever granted in respect of term loans, shall be excluded by the lending institutions from the number of days past-due for the purpose of asset classification under the IRAC norms. The asset classification for such accounts shall be determined on the basis of revised due dates and the revised repayment schedule.

The first round of moratorium i.e. from Mar 1, 2020 to May 31, 2020 was provided to eligible borrowers as per Board approved policy dated Mar 31, 2020.
